免责声明

The slides/materials used in this presentation are strictly confidential. The information contained in this presentation is being furnished to you solely for your information and may not be taken away, reproduced, redistributed, or passed on, directly or indirectly to any other person (whether within or outside your organisation/ firm), or published, in whole or in part, for any purpose. The slides/ materials do not constitute an offer of securities in the United Kingdom, Australia, the PRC, United States, Canada or Japan. In particular, neither the information contained in this presentation nor any copy hereof may be transmitted, reproduced, taken or transmitted into the United Kingdom, Australia, the PRC, United States, Canada or Japan or redistributed, in whole or in part, directly or indirectly, within the United States or to any U.S. person. By attending this presentation, you are agreeing to be bound by the foregoing restrictions and to maintain absolute confidentiality regarding the information disclosed in these materials. Any failure to comply with these restrictions may constitute a violation of applicable securities laws.

These slides/ materials do not constitute an offer or invitation to purchase or subscribe for any securities and no part of it shall form the basis of or be relied upon in connection with any contract, commitment or investment decision in relation thereto. The shares of China Lesso Group Holdings Limited (the "Company") have not been, and will not be, registered under the U.S Securities Act of 1933, as amended (the "U.S Securities Act") or the securities laws of any state of the United States and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and any applicable state or local securities laws. There will be no public offering of the Company's shares in the United States. This document shall not constitute an offer to sell or a solicitation of an offer to buy the Company's securities nor shall there be any sale of such securities in any state or country in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or country. In Hong Kong, no shares of the Company may be offered to the public unless it is conducted in compliance with the Securities and Futures Ordinance, Chapter 571 of the laws of Hong Kong and a prospectus in connection with the offering for subscription of such shares has been formally approved by the Stock Exchange of Hong Kong Limited and duly registered by the Registrar of Companies of Hong Kong which contains all the information as required under the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) of the laws of Hong Kong and the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited. Any decision to purchase securities in any offering should be made solely on the basis of the information contained such prospectus or international offering circular to be published in relation to such offering.

This presentation may contain forward-looking statements. Any such forward-looking statements are based on a number of assumptions about the operations of the Company and factors beyond the Company's control and are subject to significant risks and uncertainties, and accordingly, actual results may differ materially from these forward-looking statements. The Company undertakes no obligation to update these forward-looking statements for events or circumstances that occur subsequent to such dates.

The information in this presentation should be considered in the context of the circumstances prevailing at the time of its presentation and has not been, and will not be, updated to reflect material developments which may occur after the date of this presentation. The information is not intended to provide, and you may not rely on these materials as providing a complete or comprehensive analysis of the Company's financial or trading position or prospects. Some of the information is still in draft form. This presentation also contains information and statistics relating to the plastic pipes industry. The Company has derived such information and data from unofficial sources, without independent verification. The Company cannot ensure that these sources have compiled such data and information on the same basis or with the same degree of accuracy or completeness as are found in other industries. You should not place undue reliance on statements in this presentation regarding the plastic pipes industries. The information contained in this presentation does not constitute a due diligence review and should not be construed as such. The information contained in these materials has not been independently verified. No representation or warranty, express or implied, is made as to, and no reliance should be place on, the fairness, accuracy, completeness or correctness of any information or opinion contained herein. None of the Company, or any of their respective directors, officers, employees, agents or advisers shall be in any way responsible for the contents hereof, or shall be liable whatsoever (in negligence or otherwise) for any loss or damage whatsoever arising from use of the information contained in this presentation or otherwise arising in connection therewith and none of them shall owe you any fiduciary duty in relation to this presentation.
